Have you ever had a **METaverse** experience before?

f t in @

Access To Event

To create / select your avatar before the event and to reach the event, you need to click on the button which was created specifically in your *"welcome e-mail"* and *"reminder e-mails"*

To create your avatar before the event, click the "**Select Your Avatar**" button on the screen below that opens when you click the "**Access To Event**" button on your e-mails.

If you wish, you can choose a prepared avatar from the list or you can create your own avatar by clicking the "**Create My Avatar**" button indicated with an arrow sign.

Choose your body type

Masculine

Feminine

Don't specify

First of all you should choose
a body type fro your avatar

For best results take a selfie with a
neutral face and good lighting. 

Take a photo!

or [pick a file](#)

Continue without a photo

In order for your avatar to
look like you, you should
upload a photo of yourself or
take a photo of you...

Your Avatar is Ready

Create different styles for your avatar in different options such as hair, eyebrows, clothes, eyes, glasses, shoes and click the "next" button in the upper right corner.

Apply Your Avatar

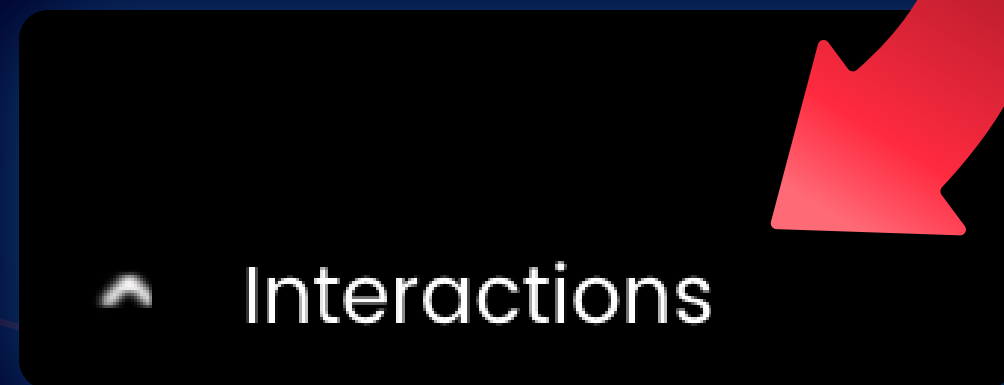

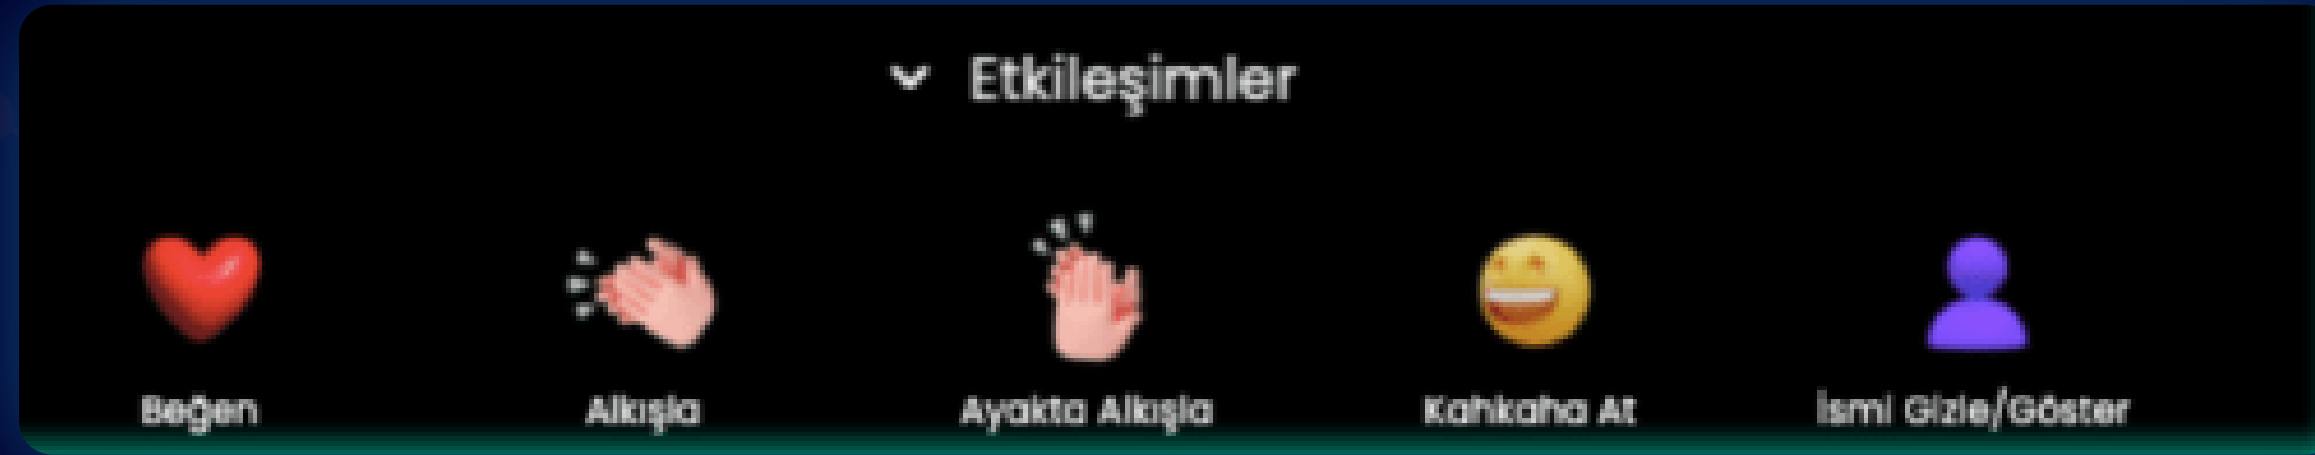

Use my avatar as my profile photo

Cancel

Choose And Go

Your avatar is ready.
Select and continue...

If you wish, you must select the
box to use this avatar as your
profile photo.

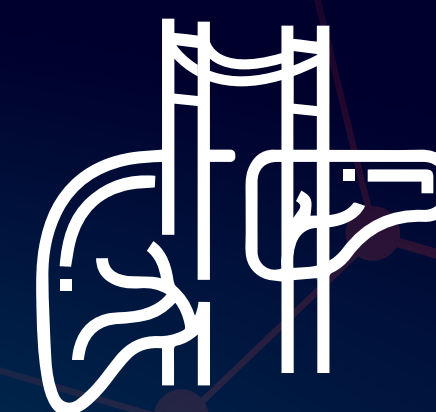

After choosing your avatar, you will automatically be directed to the page where the event is broadcast live. You can view the interaction options for your avatar by clicking the button marked with an arrow.

Hope to see you in the
METaverse
universe.
